Currently heading TM's domestic and global wholesale business, Amar is another example of TM's home-grown talent, after Datuk Imri. Beginning his career with TM after graduating in 1998, Amar's roles have ranged from financial control, internal audit, corporate and regulatory affairs, Group CEO's office, culminating in his current P&L position at TM Global. His strategic vision, combined with operational experience and grasp of global leading technologies, ideally positions him to steer TM's evolution from a Telco to a TechCo.

These accolades further attest to his leadership capabilities and the promising future he holds at the helm of TM.

Speaking about his upcoming role, Amar said, "Datuk Imri has set the right path for TM, with the strengthened foundation from the turnaround and pursuit of new growth areas – charting the shift from a Telco to a TechCo. I am proud to have been part of that journey; and now, I am enthusiastic to follow through and lead TM to the next level."

Datuk Imri expressed his confidence in Amar's appointment, saying, "Amar is an exceptional TM-grown leader with a proven ability to navigate the business and deliver results. I have full confidence that TM shall attain greater success under Amar's leadership. I extend my best wishes to Amar, the leadership team and Warga TM as they embark on the next chapter of TM's growth journey."
